

FOI_1730_2024-25 – FOI Request concerning Expenditure for External Providers of Educational Resources.

Please provide information regarding the expenditure for external providers for:

- 1. Any training provided by Stonewall to the EDIB team and any other training providers that is specific to the EDIB team.**

Solent NHS Trust have not commissioned any training this year.

- 2. Training or coaching services provided by training/coaching provider of “The genius within”.**

Genius Within was commissioned by NHS SE Region to produce training material via the Intergrated Care Board Health and Wellbeing Team that is hosted by Solent.

- 3. The cost of the G2 computer notes system introduced to Occupational Health and Wellbeing service. If it is too difficult to separate, I would like the whole cost of transfer from EOPAS to G2.**

This FOI has been exempt under S43 – Commercial in Confidence, the reason for this as the contract with G2 is not a totality contract and therefore prices vary month on month depending on activity and licences, of which these values are considered commercial in confidence

- 4. Training provided regarding Burnout, for example, the courses like “Managing Burnout”.**

Solent NHS Trust have not provided this kind of training.

- 5. Any training provided by National Autistic Society.**

Solent NHS Trust have not commissioned any training from National Autistic Society.
